

## Data Protection

ContiTech AG processes your data in the context of your use of the online shop/application process [www.continental-epix.com] in compliance with the applicable legal regulations.

### 1. General

Personal data entered by you is collected, processed and used by ContiTech Antriebssysteme GmbH for the purpose of contract execution within the framework of your use of the online shop/application process [for the purpose of online Order processing through www.continental-epix.com]. Insofar as this is necessary for the execution of the contract, the data may be passed on to the companies affiliated with ContiTech Antriebssysteme GmbH pursuant to sections 15 et seqq. of the German Stock Corporation Act as stipulated in the [Binding Corporate Rules of Continental](#).

If permitted and/or prescribed by law, the data may be evaluated for reporting purposes (e.g., statistics).

In accordance with the statutory provisions, all your data is treated as strictly confidential.

### 2. Collection and processing of data

ContiTech Antriebssysteme GmbH only stores personal data relating to users of its websites if consent for this has been provided. The only data that is stored relates to the date and time of the visit, the pages visited, cursor use on the website, the page functions used, and the website from which the user accessed Continental's websites. The IP address is transmitted anonymously and is only used to assign a geographical location at the city level. ContiTech Antriebssysteme GmbH uses this information to measure website activity, to produce statistics, and to improve the services and information provided via the websites.

Personal user data is solely used to process inquiries within the context of the consent granted or in compliance with applicable data protection regulations. Based on legal requirements, Continental has enforced global, uniform and internal Data Protection Rules ([Binding Corporate Rules](#)) regulating the protection of your personal data.

ContiTech Antriebssysteme GmbH stores data entered into websites or data provided for the process such as name, company, e-mail, address and telephone only for the purpose of communicating personally with you. The data is stored and/or used solely for the purpose of processing your inquiry/concern/participation in the competition. Your data is erased once processing of your inquiry/concern has concluded, provided that this erasure does not conflict with any statutory duties to retain records.

### 3. The data subject's rights

3.1 Please note that, as a data subject, pursuant to the EU General Data Protection Regulation (EU GDPR), you have the following rights in connection with the processing of your personal data:
